Breakthrough Learning Experiences

The Magic Continues...

Specialist Management Resources (SMR)-Malaysia and Life Learning Solutions (LLS) bring you 'The Magic of **DESIGNING FUN!!** in Training', a program which will take you to the next level of depth in **FUN** learning.

SMR is Asia's largest Train the Trainer consulting house having trained over 20,000 people across 28 countries.

PROGRAM INTRODUCTION

FUN does not happen in a workshop by chance! It's an integral part of the design which is put together and orchestrated before the workshop. This workshop takes a look at what is required to put together a workshop design which leads to **FUN** and in-depth learning!

- How does one incorporate the “Magic Formula- **FUN** x Content = Results” at the design stage?
- How do Learning Styles and Domains impact the design?
- How does one integrate a variety of methods which can stimulate learning?
- How can one design games and use them to drive purposeful instruction?

These are some of the questions addressed in the workshop.
